info@chemco-pros.com

Chemco is a professional chemical supplier serving industrial sectors across Saudi Arabia. With nearly two decades of experience, we have earned the trust of clients and partners through consistent quality, reliability, and value.

Chemco was founded as part of the growth journey of **Khusheim Company**, a name synonymous with excellence in the industrial sector for over 60 years. Building on Khusheim's legacy and expertise, Chemco was launched to specialize in chemical supply—delivering the same standards of quality, service, and integrity that define the Khusheim brand.

We combine global market insight with a strong local presence to provide high-quality products, efficient logistics, and cost-effective solutions. Our integrated services include warehousing, distribution, and supply chain support designed to streamline operations for our clients.

Committed to safety, transparency, and continuous improvement, we ensure our partners are always informed on stock availability, pricing trends, and supply updates—empowering them to make timely, informed decisions.

Company Vision

Our objective is to position ourselves as a top-tier chemical supplier both in Saudi Arabia and on the global stage. We are committed to providing high-quality chemical products tailored to the varied demands of industries locally and internationally. Through a strong focus on innovation, dependability, and customer satisfaction, we strive to become a trusted partner in the international chemical supply chain. Our pursuit of excellence fuels our efforts to continually improve operations, streamline distribution, and broaden our product range.

Company Mission

Our mission is to deliver high-quality materials and services in a sustainable manner while building strong, lasting relationships with all stakeholders. We place a strong emphasis on reliability, quality, and integrity to create meaningful partnerships and achieve positive, long-term results. Our ongoing dedication to excellence is the foundation for earning and maintaining trust throughout our entire network.
